Re: Rehearing Schedule in Docket No. 2019-184-E

Dear Ms. Boyd:

In a February 20, 2020, correspondence with the Commission Counsel David Stark, Esq., a procedural schedule was proposed in Docket No. 2019-184-E which would have had Intervenor/Petitioners filing Direct Testimony on March 17, 2020, Dominion Energy South Carolina (“DESC”) filing its Direct on April 20, 2020, and a late May 2020 hearing. There is also an unresolved issue as to whether the South Carolina Office of Regulatory Staff (“ORS”) will file its Direct Testimony along with Intervenor/Petitioners, as desired by DESC, or whether ORS be permitted to file its Direct Testimony at a later date since it was not a Petitioner in this Rehearing Motion. Finally, there remains the issue that a Final Order on Reconsideration and/or Limited Rehearing has yet to be issued by the Public Service Commission of South Carolina (“Commission”) from which to begin the process for rehearing. As such, Johnson Development Associates, Incorporated (“JDA”) and the South Carolina Solar Business Alliance, Incorporated (“SCSBA” and collectively “JDA and SCSBA”) request that the Commission not adopt the schedule proposed on February 20, 2020, stay the rehearing until at least July 31, 2020¹, and have the parties participate in a hearing to have the Commission set the schedule and to determine at what point in the schedule ORS should file testimony. JDA and SCSBA have communicated this request with ORS and it is understood that they will be filing in support of this request.

¹ Duke Energy Carolinas, LLC and Duke Energy Progress, LLC have generally agreed to this timeframe for rehearing in 2019-185-E, and 2019-186-E, respectively, with JDA and SCSBA.
